With issue number 100 VINTAGE FUNNIES ceased publication (called Golden Funnies

occasional Little Nemo, early Micky Mouse, Kat, Cap't. Easy, etc. ...all
the gold from the 30's and 40's. Issue #83 is a little classic stuff from the teens. Al-
though the set will eventually become a collector's item, I am currently offering

AN OPEN LETTER TO FANDOM

As we approach this holiday season, I'd like to take time out to personally thank all who made this year of 1975 a most successful one in the sale of my plastic bags. I have tried to supply you the members of fandom with a quality product at a reasonable price. As most know, plastic is a derivative of oil and, as oil prices rise so does the price of plastic. By buying in huge quantities now, i do not anticipate a price increase until after the 4th quarter of 1976.

WARNING, WARNING, WARNING

Do not be deceived by other people who claim that their bags are thicker. Upon inspection, you will find that they are about the same or in some instances are thinner than mine. These same people have also taken the copy of my ads and used it to promote their product.

SUPPORT W.S.A.

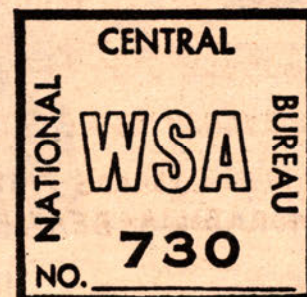

To those dealers who offer discounts to W.S.A. Members, continue to do so. It is not discriminatory. Many other organizations do the same thing. This is an inducement to join the group that has been the watchdog of fandom. To the irresponsible people who make these statements, perhaps they tried and were not accepted as W.S.A. Members. To Alan Light: Editor of T.B.G.-----Thank you.

To Fandom: Your comments and thoughts would be appreciated.

ORIGINAL COMIC ART

FILMS

Here's an ad I've wanted to prepare for a long time, and the Christmas holidays have given me the time to do it! All the comics, original art, films and other rare material listed here has been gathering dust around here for up to five years... Now all at really great savings! I won't have the time to redo this ad for the things that don't sell, so the prices are really bargains! Make an offer if you feel the price on something you want is too high, and if nobody takes it at the advertised price, I'll probably take you up on it.

Terms: Everything guaranteed as advertised and returnable within ten days if you are unsatisfied. Please send a stamped, self-addressed envelope with your order for confirmation of it or refund if sold. All items postpaid. Checks require a week or two to clear, so money orders are best...or certified checks.

HAPPY HUNTING & COLLECTING!

FAMOUS FANTASTIC CLASSICS /// FAMOUS PULP CLASSICS
The greatest classics from the Golden Age of the pulp magazines live again! FAX
Collector's Editions is proud to point to two new, closely associated series of quality
paperbound books dedicated to the revival of the great lost stories from the pulps of
the teens, twenties, and thirties. From the pages of Argosy, All-Story, Blue Book,
Adventure, and many other magazines of this era come the forgotten tales by the masters
of the story-telling art.
Each book is 128 pages in length, 6" x 9" in size, printed on quality paper with heavy
covers. Each issue has full-color covers by such artists as Fabian and Kaluta. There are at
least 80,000 words of rare and unreprinted material in each book, reproduced directly
from the pages of these almost unobtainable old magazines.
These books are appearing in strictly limited editions of 1000 copies. Their price is
only \$5.00 each, bought singly. However, orders are being accepted for six volumes in
either of the two series at the special subscription rate of 6 issues for \$25.00.

SPICY'S SALLY THE SLEUTH
Graphic nostalgia strikes again. Remember the Spicy mags of the thirties and the comic
strip sections they carried? Lots of corn and little porn, but they were faithfully eye-
balled by the aficionados of the risqué in that era. Sally the Sleuth was always getting
trapped by sundry villains and losing her clothes. Here's an amusing selection of these
strips in this soft-cover publication. Full-color cover. Limited Edition. \$3.95

VALDAR THE OBT-BORN
by George Griffith
"A classic novel of Sword and Sorcery. Valdara is an eternal hero who is reborn in
different ages. The action is fast and furious. Valdara is the nearest thing to an
invincible warrior to be found and he kills with a lust that might make Conan
wince. A wild, violent adventure." Yes, the reviewer was quite right in his remarks
about this book. This is probably one of the earliest sword and sorcery novels - and
certainly one of the best. You can't beat the action here! Hard cover. \$4.50

INSIDE COMICS TELLS IT LIKE IT IS!

GEE AHHAH AW GLOWING REPORT!

Alan Hanley has long put on the most likeable one man show in fandom. In his COMIC BOOK and other fanzines he has written and drawn strips that are invariably a pleasure to read—unpretentious, light-hearted, funny. He began doing strips with the idea of resurrecting the unspoiled spirit of the early superhero comics, delighting nostalgia freaks before nostalgia became a fad. He has created a galaxy of superhero characters that are thinly-disguised versions of old favorites like Captain Marvel (Goodguy), Captain America (All American Jack), Captain Midnight (Captain Thunder), the Spirit (Soul). These Hanley standbys are on view in this issue, along with The Mitey Buggers, a funny animal supergroup, and Dick Drake, a square-jawed cop in the Dick Tracy mold.

There's a different character to his work in this issue, though. In an introduction, he discusses the recent co-opting of the nostalgia ideas by the commercial comics companies, and his consequent decision to steer away from pure nostalgia and to add a tinge of topicality to his strips. He seems a bit uncomfortable with this new approach, and there is a tentative air to the integration of such material into the stories. But there is no heavy-handed "relevance," and the wry Hanley humor and delightful cartoon style continue to sparkle. Some of it is uproariously funny—an EC-style back cover and a Buster Brown-as-Marvel-hero gag, for instance.

COMIC BOOK is the ideal fanzine. It's not done to impress anyone, but for the fun of doing comic strips and for the pleasure that they give the reader. Hanley hints that this may be the last issue; let's hope not!

1976 BRINGS NEW LOWER PRICES!

Each and every comic is individually graded. And they are STRICTLY graded! I received ZERO complaints about conditions in 1975. If you are not satisfied, for any reason, write within ten days for immediate action. All abbreviations are standard. f=fair, N=NOT fine. Even with the new postal rates, I require only 40¢ per order for postage, 25¢ more if you want it insured. Over \$15.00 and I pay for postage and insurance. DO NOT send cash, and I will wait for personal checks to clear. I don't have very many duplicates on these comics, so please send alternatives if possible. I do have many more comics for sale, so send me your want lists. Thank you for your time, and I hope I can help you in 1976.

THE 20¢ COMIC (29) HAS RETURNED!

COMIC COMMAND PERFORMANCE No. 3

Here is the third installment of the 'Comic Command Performance' series which Jerry De Fuccio, Associate Editor of MAD magazine, started in Issue #26 of CARTOONIST PROfiles. As our readers know, Jerry asks various famous cartoonists who were active in the so-called 'golden days' of the comic books to re-create today some of their famous features. In this issue, Tony Di Preta once again draws 'Zippo' who appeared in Hillman Periodicals' Clue Comics in 1943.

The third installment of the continuing COMIC COMMAND PERFORMANCE series, produced by Jerry De Fuccio, Associate Editor of MAD Magazine, appears in Issue No. 28 of the quarterly magazine, CARTOONIST PROfiles, published in December. In this exciting series, Jerry asks artists who were prominent in the so-called 'Golden Days' of the comic books to talk about the features they did then, and to redraw for CARTOONIST PROfiles in the 1970's some of their best known ones. Readers have been very interested in comparing the versions done in the 1930's and 1940's with these re-creations which various artists have produced today with the 35 years of experience they've had since then behind them. COMIC COMMAND PERFORMANCE No. 3 features Tony Di Preta and his famous ZIPPO character which first appeared in CLUE COMICS in 1943. Jerry has already produced two more installments of this continuing COMIC COMMAND PERFORMANCE series, one on Dave Berg

HE'S THE MOTOR-MAN ON WHEELS!! ... And look out all you buzzards of crime and you who gnaw and yip at Uncle Sam's coat-tails! Unless you are *fast* ... yes ... *very fast*, Zippo will run you right into the ground ...

Roaring Justice On Wheels ... The Wheeled Crime-Fighter! That was Tony Di Preta's character, *Zippo*, in Hillman Periodicals' Clue Comics, back in 1943.

Zippo, complete with carborundum grindstone-like wheels, attached to articulated connecting-rod leg pistons, generated by a metallic "doughnut" powerhouse girdling his waist. *Zippo*, a second-class citizen in a magazine populace of all second-placers, but still memorable across the years.

And, in requesting the affable and fraternal Tony Di Preta to re-tool *Zippo* after thirty years, I found myself an old friend and a new friend.

and another on Will Eisner. These will appear in upcoming issues.

The 88 pages of Issue No. 28 include these other features and more: 14 MAD Magazine cartoonists have drawn themselves especially for CARTOONIST PROfiles, wearing T-shirts bearing various personal statements in line with the current craze. Roy Crane lets our readers look into a new scrapbook of his which includes many of his tips about the business of cartooning. This series will continue through 1976. Also included is an article on the famous cartoonist, Gluyas Williams, by the Comics Editor of the Field Newspaper Syndicate. There are several stories about British cartoonists, an interview with the Chief Editorial Cartoonist of the Scripps-Howard Newspapers, a retrospective look at key strips during the 56-year history of the famous comic, 'Freckles & His Friends,' an article on the art of magazine cartooning, and much more. We think you'll agree that it's a tremendous value!

- 1.) Base your order on the total number of publications of any one price; in other words, 12 copies of one title or the next 12 consecutive issues of one title or 12 different titles in one month all costing the same 25¢ would be 23¢.
- 2.) We carry any newstand magazine, so order what ever you wish.
- 3.) Try to give us lead time on the issue number you are ordering (the Comic Reader is a good source). If you do not specify otherwise, we will send the next available numerical issue.

| | |
|-------|------|
| 1-10 | 50¢ |
| 11-20 | 75¢ |
| 21 up | 1.00 |

5.) We ship subscriptions once a month, usually right after the end of the month. We take great care in attempting to foil the insidious plot of the Postal Service. As any collector knows, there is a directive in every Post Office ordering all workers to destroy any package which looks like it contains comics. We put our comics in plastic, protect them with cardboard and so forth but it doesn't always work. We will ship by U. P. S. but to do so, we must have your street address. For some reason the Postal Service won't let U. P. S. deliver to your Post Office box.

PIONEER

Now 3 TIMES A MONTH.

NOW BIGGER AND BETTER THAN EVER. Each issue of Pioneer features the most up to date reviews of comics and fanzines in fandom. Not only that but we have some of the best art you'll ever see in fandom. Such as the piece to your left, by Rick McCollum our staff artist, which appeared as the front cover of our 21st issue. And that isn't all either, each issue features many columns that we feel are some of the best in fandom. But to bring this to everyone every 3 times a month we need your support. To show more people what Pioneer is all about I've decided as a seasonal gift anyone who orders a sample or subscription from this ad will receive a FREE back issue of Pioneer.

I'd like a sample copy of the current issue of Pioneer. Enclosed is a paltry dime and 13¢ stamp (Or a quarter) for such. ()

I'd like a five issue sub to Pioneer. Enclosed is a buck for such. ()

I'm a big spender and I'd like a ten issue subscription to Pioneer. Enclosed is two dollars for this ()

SEALAB 2020

Sealab 2020 was one of the
best sci-fi cartoons that
has ever been on. It was a
very realistic and advent-
urous program. Since this
was such a good show, this
should come back on the air.
Everyone should write let-
ters to the producer & net-
work telling them to bring
it back for 1976-77.

Jonny Quest

Jonny Quest is another one
of the great Hanna-Barbera
sci-fi adventure cartoons.
This is well known, and it
was on ABC from 1970-1972.
Now, it should come back to
Saturday morning. Write a
few letters to Hanna-Barb-
era and ABC, and tell them
to bring this back for the
1976-77 season.

COMING SOON! VOYAGES INTO THE

STAR WARS

Once ... he knew love and hate and he felt all the joys and dispairs of a full, vibrant human life. He journeyed far, as others have before him, in search of himself and found at least part of himself in China's martial arts ...

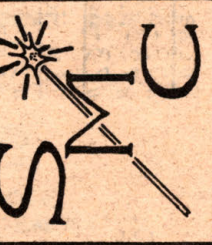

But it was not with the blessed finality of other men that he died; he was cast into the hellish ranks of the undead some 300 years ago ...

MASTER of the martial arts and B L O O D - C R A Z E D the NAMELESS WARRIOR stalks the nights of TODAY !!!

I'll get garlic, a cross & start taking Kung Fu lessons tonight ! If, however, NAMELESS should get me first, I want to be assured of exciting reading for my next 300 years :
